The Consumer's Inbox: What Types of Messages We Receive

source

EN NUESTRA APP...

Nodemailer

- Completo soporte del protocolo SMTP
- Tiene varios “well known” providers

Integración en template

Configuración en `config/email.js`

Templates en `views/emails/email.html.ejs`

Enviando un correo...

```
ctx.sendEmail('welcome', { to: user.email, subject: 'Welcome to wican!' }, { user });
```

¿Por qué?

10

Welcome emails typically have **4x** the open rate and **5x** the click-through rate of other mailings.

Give people a chance to learn more right when they're most interested in hearing from you.

Source: Experian

11

74.4% of people expect to receive a welcome email right when they subscribe. Exceed expectations by sending a coupon code or discount.

Source: BlueHornet

12

Subscribers that receive a welcome note show **33%** more long-term brand engagement. Extend the life of your list by making a warm, friendly first impression.
